Local arts organization, 2D4D is joining up with THPRD to host a hands-on chalk activity at this year's Summer Kick-Off and Concert in the Park. On June 20 from 6:00-8:00pm, Mountain View Champions Park will become a 'pop-up' sidewalk mural showcasing the dynamic expression of this temporary medium. Art instructors will help guide 'chalk newbies' on best techniques for color blending and encourage individuals to add their own flare to the entire collaborative design. Attendees of all ages are encouraged to participate.

This chalk activity is part of 2D4D's outreach efforts to promote La Strada dei Pastelli Chalk Art Festival, happening August 10-11 at Cedar Hills Crossing, and supported by City of Beaverton. Visit www.2d4d.org to learn more.

About 2D4D

2D4D is a grassroots organization working to strengthen the region's creative impact by helping artists and arts-leaders in the 2-dimensional and 4-dimensional (time-based) fields achieve greater potentials both individually and collectively. 2D4D believes that it is through our collective voice, works, and actions that the arts inspire, provoke, enhance, and contribute to the emotional and economic wellbeing of our region. 2D4D does this by providing free and low-cost classes, workshops, networking events, exhibition and performance opportunities each designed to expose the value, function, and necessity for social diversity and dialog. This is only possible by bridging interaction between the arts and non-arts communities to recognize that each supports the other. [**www.2d4d.org**](http://www.2d4d.org)
